FLAMELESS®

Create an oasis of serenity and scent with effortless ease. Our wax flame-effect candles look so real they deliver more of everything you love about candles, but with the added benefit of safety and enjoyment.

A CLEVER CANDLE

Flameless Candles are unbelievably authentic, you will be surprised at how real they look. The candle's flame flickers, sways and dances, mimicking an actual flame.

Technically astounding, you will be amazed how Flameless Candles transform a room.

MOOD CREATION

Whether entertaining or seeking a sense of calm and relaxation. Flameless Candles can create the ambience that you need as every Flameless product includes a variable remote control, you can turn your candles on wherever they are placed and choose how long you want to enjoy the mood for.

UNIVERSAL REMOTE CONTROL

The Flameless remote control system allows you to turn on, turn off and set the timer for all the candles with a single control. Each Flameless Candle includes a universal remote control compatible with all models.

SAFE IN ANY LOCATION

Forget the limits of traditional candles, our Flameless Candles can be sited anywhere safely. No need to worry about children, pets, or potential fires, our candles can be placed anywhere with no risk of injury or marks to decor.

Flameless, the Perfect LED Candle

Everything you love about candles

Perfect for:

- Restaurants / Hotels (romantic, practical, authentic)
- Events (do not burn, weather resistant, endless use)
- Spas (mood enhancing and resistant to humidity)
- Home decoration (decorative and realistic)
- Gardens / Terraces (weather resistant)
- Scenery (realistic without being flammable)
